

ABRIDGED INDEX TO VOLUME 27

ARTICLES	No.	Page	MARINE OBSERVATION PROGRAM	No.	Page
North Atlantic Tropical Cyclones, 1982	1	1	Winter Wind and Wave	4	216
Riding the Swell	1	5	Steam Fog	4	217
Significance of the African Disturbance	1	7	Superstructure Ice	4	217
Extreme Storm Waves and Typhoon Faye	1	10	Extreme Storm Waves	4	217
Hurricane Iwa	2	63	Weather Observations	4	217
Eastern North Pacific Tropical Cyclones, 1982	2	67	How Close to the Coast	4	218
Central North Pacific Tropical Cyclones, 1982	2	77	Those Dumb Computers	4	218
Gulf Stream Variability and Width	3	133	Timely Observations	4	218
Great Lakes Navigation Season, 1982	3	135	Single Sideband Observations	4	218
Cyclone in the Mediterranean, January 1982	3	141	I Goofed	4	218
1982 Saharan Dust Outbreak	4	199	Photographs	4	219
Western North Pacific Typhoons, 1982	4	201	Mysterious Loss of Speed	4	219
North Indian Ocean Tropical Cyclones, 1982	4	215	Mailing Weather Records	4	219
			Millibars to Hectopascals	4	219
			Bonus Weather Books	4	219
			Wind Chill	4	219
MARINE OBSERVATION PROGRAM			THE EDITOR'S DESK		
International Vessel Weather Network	1	13	Hurricane Havens	1	16
International Economy and Ship Weather Reports	1	13	Shuttle Imaging Radar Discovers Hidden Features in Sahara	1	18
Inmarsat Weather Reports from Ships in the Atlantic and Pacific	1	14	Satellite Images Reveal New Ocean Features	1	19
Weather Message Transmission Priority	1	14	Improved Forecasting for Fisherman	1	19
PMO Kennedy Retires	1	14	Hurricane Debby Provides Research Advances	1	20
Port Study Underway	1	14	Major Metallic Mineral Find on Atlantic Ocean Floor	1	20
School Days	1	14	Letter to the Editor - Subtropical Storm June 18-20, 1982	1	21
Servicing PMO	1	15	Heavy Arctic Haze	2	85
Safety and Profit	1	15	Bill Proposed to Permit Fees for Coast Guard Service	2	86
Extreme Waves and Closet Doors	1	15	East Coast Storm Probes	2	86
Mariners Weather Log (MWL) Hogs	2	81	Bering Sea Ice Studies	2	86
More Observations--Better Forecast	2	81	Letter to the Editor-Sea Smoke	2	87
Letters, Compliments, Comments, and complaints	2	81	AMVER Celebrates Silver Anniversary	3	146
The Good Old Days	2	81	Highway, Transportation Fatality Totals Drop	3	148
Present and Old Code Format Compared	2	81	Lost Arctic Science Station Found	3	148
Ship's Weather Observations-NOAA Form 72-1A	2	81	El Chichon Debris May Cause Acid Rain	3	149
The Heading Block	2	82	Maine Fishery Captain Wins American Seamanship Trophy	3	149
Ship's Address Block	2	82	Hurricane Research Flight Plans Detailed by NOAA	3	150
New Form Designs	2	82	Ship Equipped with Auxiliary Sails	3	150
Filling in the Forms	2	82	Letters to the Editor - Encounters with Typhoons	3	150
Form 72-1A Ship's Weather Observations	3	144	NOAA Opens Ocean Service Center	4	221
Somebody Goofed	2	83	Toughened by Cold, Damp, Wind, New Weather Index	4	222
U.S. Cooperative Ship Weather Reports	3	144	NTSB Report on Ocean Ranger Sinking	4	222
Hurricanes and Typhoons	3	144	Automating NOAA's Shipwreck File	4	223
Mandatory Groups vs. Need	3	144	Anchor of USS MONITOR Recovered	4	224
What Does a Single Report Do	3	144	NOAA-NASA Study of Global Cloudiness	4	224
Coastal Weather Reports	3	145			
New PMO's	3	145			
Wave, Swell, Clouds and Ship photographs	3	145			
New Port Meteorological Officers	4	216			
Some Not to Get Spring Mariners Weather Log	4	216
